

Mikhail Razakov

.NET Developer · EdTech

Moscow / remote · razakov.misha@mail.ru · t.me/Micodiy · github.com/Misha1302

HSE University, Software Engineering, 2026-2030. Open to internship or part-time work from September 2026.

I have taught programming since 2021 and worked with about 50 students. In CompilationLabLMS, I built roles, groups, lessons, homework, notifications and payments; at Diploma.school, I fixed mobile navigation and learning-material views.

Programming tutor since 2021; about 50 students	CompilationLabLMS: learning workflows and payments	Diploma.school: responsive UI and learning materials
